

Distribution transformers

We offer a complete range of **power and distribution transformers** designed to ensure reliability and efficiency for the energy supply in industry, public utility and commercial applications. We are able to satisfy every customer's need by providing **dry-type and oil-filled transformers**; they can be used for indoor or outdoor applications, in accordance with the most demanding international standards and particular specifications.

- High efficiency
- Reduced maintenance
- High durability

	Power	Voltage range	IP protection
DRY-TYPE	Up to 10MVA	Up to 36 kV	Up to IP44
CAST-RESIN	Up to 10MVA	Up to 36 kV	Up to IP44
OIL-FILLED	Up to 40MVA	Up to 52 kV	IP 65
